SUPPORT HIGH SCHOOL SENIORS PREPARING FOR COLLEGE

**DO YOU ENJOY WORKING WITH YOUTH?
WANT TO MAKE A DIFFERENCE IN THE COMMUNITY?**

FOUNDATION FOR A COLLEGE EDUCATION, A NONPROFIT BASED IN EAST PALO ALTO, IS LOOKING FOR VOLUNTEER SENIOR ADVISORS TO SUPPORT OUR HIGH SCHOOL SENIOR STUDENTS WITH SCHOLARSHIP APPLICATIONS AND WRITING DEVELOPMENT.

FCE's Mission

Increase the number of students of color from East Palo Alto and similar communities who graduate from a four-year college or university.

FCE's Vision

Engage both students and parents in the mission, mobilize them to share information with other families about how to take advantage of school resources and navigate the college admissions process to catalyze change in the larger community.

Why advise high school seniors for Foundation for a College Education?

The Senior Advisor serves as support for a small group of students engaged in the college admission process. Advisors help students identify good-fit colleges and develop compelling applications. They also lend moral support as students work towards their goal of attending college.

Commitment

5-8 hours a month for 1 academic year (September-June), plus required attendance at monthly student/parent meeting. Meet with each student assigned to you once a week for a 30-minute college advising meeting.
