

Mentors Wanted

Help first-generation college students transition to their careers

2023-2024 School Year

Time-commitment: 2-3 hours/month
Training provided

How has mentorship impacted you?

Pay it forward, or give someone what you wish you had.

Mentorship is life-changing guidance--support that will help our students make informed decisions as they prepare for their careers.

Ideal candidates have good communication skills with ≥ 5 years experience in their field.
